12:15 - 12:30pm	Innovation Marketplace for Every Woman, Every Child -A new platform to accelerate investments in the innovations with the greatest potential impact on women’s, children’s and adolescents’ health	Presenter - Peter Singer , Grand Challenges Canada & Innovation Working Group
12:30 - 12:45pm	Keynote Address -“la Caixa” Foundation and UNICEF announce their new partnership in support of the Acute Respiratory Infection Diagnostic Aid (ARIDA) Project	Presenter - Nina Schwalbe , UNICEF • Her Royal Highness, the Infanta Cristina de Borbón , “la Caixa” Foundation
12:45- 1:30pm	Lunch	Networking
1:30- 2:15pm	Announcements -“Every Breath Counts” Pneumonia Campaign -Philips Automated Respiratory Rate Monitor -Grand Challenges Explorations, Round 15 -“Improving Diagnosis and Treatment of Childhood Pneumonia in High Burden Countries” Initiative -“Every Second Counts” Multi-Media Kit -“Pneumonia Diagnostics Project” Field Trial Results	Moderator Kris Olson , Consortium for Affordable Medical Technologies (CAMTech) • Kate Campana , Speak Up Africa • Niels Buning , Philips • Amit Srivastava , Bill & Melinda Gates Foundation • Kate Schroder , Clinton Health Access Initiative • Briana Ferrigno , McCann Global Health • Kevin Baker , Malaria Consortium
2:15 - 4:30pm	Pitching the Pace: Meet the Innovators -10 innovators present their devices to live feedback from Expert Panel Expert Panel: Kevin Baker , Malaria Consortium Deborah DiSanzo , IBM Watson Health Kristoffer Gandrup-Marino , UNICEF Amy Ginsburg , PATH Peter Singer , Grand Challenges Canada	Moderator - Leith Greenslade , MDG Health Alliance 1. Udantha Abeyratne , ResApp, University of Queensland 2. Mohammad Jobayer Chisti , Bubble CPAP, icddr,b 3. Micaela Collins , Breastmilk Pasteurization Device, University of Toronto 4. Faye Evans , Lifebox® Pulse Oximeter, Lifebox 5. Barry Finette , MEDSINC, ThinkMD 6. Michael Hawkes , Solar-Powered Oxygen, University of Alberta 7. Bernard Olayo , Hewa Tele Oxygen, Center for Public Health and Development 8. Kristi Otto , INSPIRE, INSPIRE Living 9. Henrik Pranov , SMILE solar cookstove, Heliac 10. Tim Prestero , Pelican Pulse Oximeter, Design that Matters
4:30 – 4:40pm		Presenters - Meghan Gilfillan & Maddie Cleland , MDG Health Alliance
4:40- 5:30pm	Innovator Spotlight	Multiple Innovators -Live demonstrations of select innovations by members of the Pneumonia Innovations Team

The Pneumonia Innovations Summit is an initiative of the Pneumonia Innovations Team, a global network of more than 200 organizations and individuals committed to accelerating the development and adoption of new technologies with the greatest potential to reduce child deaths from pneumonia, particularly in the countries where deaths are concentrated. The Team works in support of the UN Secretary-General’s Every Woman, Every Child movement, and is chaired by the MDG Health Alliance and PATH.
