

"EACH CHILD BELONGS TO ALL OF US"

**EVERY BREATH COUNTS COALITION
WILL WORK HARDER FOR RACIAL EQUALITY**

The Every Breath Counts Coalition pledges to work harder for a world where children from the most disadvantaged communities across the world not only survive childhood, but grow up to thrive, leading and shaping societies that do not discriminate on the basis of race.

The Coalition calls on our members to strengthen their efforts to achieve racial equality in their own organizations and programs, and to increase their support for racial equality in the communities they serve by confronting racial discrimination and inequalities and ensuring that no child is left behind.

As Maya Angelou said, *"Each child belongs to all of us and they will bring us a tomorrow in direct relation to the responsibility we have shown to them."* We ask our members to demonstrate their responsibility to children by building organizations and delivering programs that rapidly and sustainably reduce racial disparities.
